Scope & Sequence

ELECTIVES

MONARCH ELECTIVES allow students to explore subjects that pique their interest, deepen their knowledge, and create a more well-rounded education. Available for students in grades 4–12, Monarch electives offer a concentrated focus in specific disciplines. Choose from subjects that include world languages, history, literature, math, science, geography, health, civics, career courses, and more.

Simply Log in and Begin!

Enjoy anytime access to a well-rounded education with Monarch online courses for grades 3-12 from AOP. With interactive lessons, automatic grading, and plans that grant you the freedom to hand-pick the perfect combination of courses to match your student's learning level, Monarch is the simplest way to help your child succeed.

Why Parents and Students Love Monarch

Assign Courses Across Grade Levels

Create a custom courseload even across grade levels with 50 core courses and 60+ electives.

Automatic Grading and Instant Feedback

Take back your day and keep your student motivated with about 85% of all student work automatically graded.

Customizable Calendar

Imagine a schedule that adjusts to your needs, not the other way around. Plus, new calendar edits will automatically adjust the future schedule.

Completely Online

Save time and stay connected wherever life takes you. Simply log in and begin without any installation.

Media-rich Lessons

Watch your child stay focused and engaged in interactive, multimedia-supported courses designed for academic and spiritual growth.

Printable Reports

Stay organized with grade reports and transcripts that are easy to view and print.
