Bible 300 Course Overview

Monarch Bible 300 is a full-year, online Christian homeschool course that invites students to become Story Seekers as they explore God's redemptive story from Creation through the wilderness journey of the Israelites. Students follow a chronological path through the patriarchs, Joseph, the Exodus, the giving of the Law, and the wisdom of Psalms and Proverbs, using the Story Seeker Map to uncover how every Bible story reveals God's character and points to His greater plan of redemption.

Through engaging lessons, Scripture study, and interactive Story Seeker activities, students build strong biblical literacy while discovering how God's promises are woven throughout His Word.
