Bible 400 Course Overview

Monarch Bible 400 is a full-year, online Christian homeschool course that guides students through one of Scripture's most dramatic eras, from the conquest of Canaan and the period of the judges to the rise of Israel's first kings and God's covenant with David. Using the Story Seeker Map framework, students trace themes of faithfulness, obedience, and redemption through the lives of Joshua, the judges, Ruth, Samuel, Saul, and David.

Through engaging lessons, Scripture study, and interactive Story Seeker activities, students discover how God remains faithful to His people and how every story ultimately points to Jesus Christ.
