Bible 500 Course Overview

Monarch Bible 500 is a full-year, online Christian homeschool course that transforms students into Bible Builders as they explore the divided kingdom, the ministries of Israel's prophets, the exile and return of God's people, the silent years, and the beginning of Jesus' earthly ministry. Using the Bible Builder framework of Foundation, Blueprint, Toolbox, Construction, Cornerstone, and Building Together, students learn about God's Word and apply biblical learning to everyday life.

Through engaging lessons, Scripture study, and the Bible Builder framework, students develop a strong foundation in biblical understanding.
