Bible 600 Course Overview

Monarch Bible 600 is a full-year, online Christian homeschool course that calls students to a Quest for Truth as they journey through the Gospels, Acts, the New Testament letters, and Revelation. Using the Connect, Discover, Think, Reflect, and Live lesson framework, students examine the life, death, and resurrection of Jesus, the birth of the early Church, the spread of the gospel, and God's promise of Christ's return.

Through Scripture study, guided reflection, Quest Journals, and meaningful application, students deepen their understanding of God's Word and learn about it's application to their everyday life.
