Introduction to Christian Worldview Course Overview

Monarch Introduction to Christian Worldview is a one-semester, online Christian homeschool elective designed for high school students in grades 9–12. Students explore the foundations of a biblical worldview, evaluate competing ideas and cultural philosophies, and learn to apply Scripture to everyday decisions, relationships, and leadership.

Through discussion, real-world application, and thoughtful reflection, students develop the confidence to evaluate ideas biblically, engage their culture with wisdom, and live with purpose and Christlike character.
